side salad served with all panini when eaten in the cafe. In our effort to serve high-quality food at accessible prices, we use organic & sustainably produced ingredients wherever possible. our local vendors include acme bread company, diestel, & niman ranch farms.

What makes Farley's special?

Our mission is to make the communities where we do business better places to live and work. For over 25 years we have upheld that mission by doing a lot of things you won't find everywhere else: artisan coffee, homemade food, 500 magazines, non-profit of the month, local art, music and even parades...
